

Encampment First Grade

2012-2013 School Year

Dear Parents,

I am looking forward to teaching your son/daughter this year and will be sure to create a safe, consistent, creative learning environment for him/her. Below is a summary of my classroom management plan and how I plan on facilitating my classroom through the year.

There are many exciting plans for my class this semester. I am happy your child is able to be a part of it. There are a few basic parts to my classroom management plan that

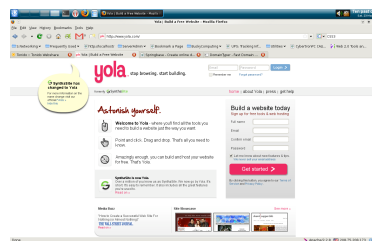

I would like you as a guardian to be aware of. I concentrate mostly on teaching interesting and relevant curriculum for my students that will help them be engaged from the moment they walk into the classroom to the bell at the end of the day. However, not all students are the same, and therefore will not all be engaged on the same level which in turn may cause some behavior issues to arise. At this point, I will ask myself and the student what I can do to make the lesson more interesting to them and how we can adjust the assignment to fit their needs. This is my first approach to behavior that is inappropriate in the classroom.

I feel that a class benefits from learning how to be responsible and how to make choices based on their actions. I will use logical consequences for unwanted behavior and also provide a guided choice form for students to create a plan on how to change their behavior in the future along with communica-

tion with the parent. In addition to the plan, behavior will be logged and steps will be taken following the elementary discipline code if necessary.

The students will have many opportunities to build community and positive rapport with peers and myself which in turn will decrease unwanted behavior.

FIRST GRADE CLASS WEBSITE

Communication is key to creating a classroom that is positive and stress free. Please communicate with me often through email, phone, or in person.

Email: bseitz@crb2.k12.wy.us

I have created a website for our first grade classroom that will have pictures, important information, and resources for you and your child to explore! Please take a look at the website! I think you will enjoy it. The web address is as follows:
